CSTA Congratulates Peter Hannam Inductee, Canadian Agriculture Hall of Fame November, 2006

CSTA sincerely congratulates Peter Hannam on his induction to the Canadian Agriculture Hall of Fame at the Royal Winter Fair on November 5, 2006..

Peter Hannam is well known to CSTA as a strong supporter of our organization and of the Canadian seed industry. The citation, which can be found on the Hall of Farm Website <http://www.cahfa.com/index1.html> says: "Peter Hannam of Guelph, Ontario is no doubt Canada's best known soybean booster and plant breeder. Peter was instrumental in the formation

of First Line Seeds which developed and marketed short season varieties that had high yields in a relatively cool climate. Peter was also instrumental in the development of Food Grade soybeans and their segregation in the marketing chain which developed new markets for Canadian soybeans."

Peter Hannam was chosen for the CSTA Seed Achievement Award in 2005.
